

# Class 1

This week we have been continuing to practise our Nativity and trying on our costumes. In phonics our focus sounds have been 'e' and 'f' and in maths we have been exploring triangles and the number 4 by using a five frame. So much wonderful learning Class 1! We look forward to seeing you next Friday for our Christmas performance!

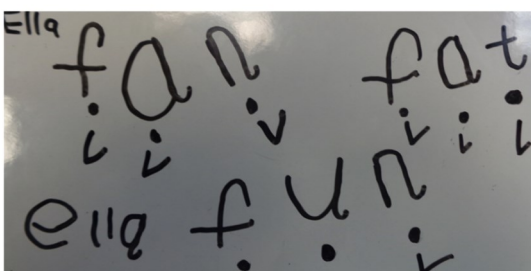

"The swinging steps have triangles here!" Freddie R

Evie found a letter in a triangle on the playground.

"I've made a cat with lots of triangles"! Ella worked hard to sound out and write words using our focus sound 'f'. Well done Arthur and Ella

"I have 4 poms poms, I know there's 4 because one space is empty." Well done Ivy
