

Class 4 Weekly News

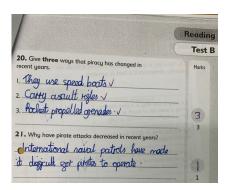

This week, Class 4 have worked hard in English researching information about wolves and planning how they intend to present their information texts. In Maths this week, Year 5 and 6 have investigated multiples and factors and consolidated written methods for short and long division. In RE this week, the children have extended their knowledge and understanding of Sikhism, learning about the 5K's. In Reading, Class 4 have continued to work on a longer weekly reading comprehension, to develop and aid resilience, and worked on the 'vocabulary', 'retrieval' and 'inference' VIPERS, based on an extract called 'Wolfman'. See examples of Class 4 Reading work below.
