

# Class 1

We have enjoyed our final week of this half term bringing our learning about space together. The children have produced some amazing artwork inspired by the beautiful illustrations in our vehicle text 'The skies above our eyes.' The children have learnt two new digraphs 'ch' and 'qu' and really enjoyed making and of course eating pancakes. We discussed why we celebrate Shrove Tuesday and the start of Lent. Happy half term!

Freddie R created a fantastic chalk picture and labelled it himself. Arthur enjoyed his pancake topped with chocolate spread. Freddie P poured the egg and milk mixture so carefully. Jacob used the scales to carefully measure the flour.
