

Class 4 Weekly News

This week, 19 pupils from Class 4 accompanied 25 pupils from Class 4 and 5 from Tibberton to York. We visited the spectacular Jorvik Museum where the children learnt all about how the Vikings lived from the fantastic life size displays in the museum. The sounds, sights and smells experienced on the ride around the museum really brought the Vikings to life for the children. After, we visited the York Dungeons where the real life actors retold a range of historical stories. We then travelled to our accommodation in York where the children had an evening meal and then spent the rest of the evening sharing quizzes, games and conversations with each other across both schools. On Tuesday morning, we took part in our final activity - visiting the York Castle Museum. Here, we were enthralled by the various displays on offer, from World War I to the Victorians, to visiting the parts of the Museum which used to be a real life prison. A fantastic time was had by all!
