

Class 3 Weekly News

This week, Class 3 have been acting out scenes from our vehicle text, ordering and comparing fractions and reading about 'Killer Plants!'

Using the illustrations from 'The Rhythm of the Rain', children acted out how they would explore, move around and feel in the setting. They performed to the class and children were asked to guess which scene they were exploring.

In maths, we used pizza and fraction sundaes to order and compare unit fractions, yum!

Class 3 Weekly News

One of our superstars brought in a plant linked to our non-fiction text this week. After we read through 'Killer Plants' and discovered how they trick their prey... we predicted how our plant might claim its victims and then found out from our classmate!
