

Class 1

We can hardly believe it's a week since we had snow! This week have been busy catching up with some of the things we planned to do last week including making Paddington's favourite food—marmalade sandwiches. We have also been getting ready for our special Mother's Day afternoon tea. Here are some pictures from our trip to the church.

The children were very interested to explore parts of the church. Ivy: "These are the song numbers". Freddie C: "It's font where babies are christened." Evie: "There is a piano because we sing songs in church." They also enjoyed drawing pictures of all the things they learnt about. Well done Class 1!
