## NEWSLETTER

Friday 28th April 2023

Dear Parents,

What a busy week! It has been a pleasure to spend some time at both of our wonderful schools, seeing the children excited about their learning and living our Christian values, for example friendship and caring.

We have had visitors in this week from the Local Authority who have commented, as usual, on the wonderful behaviour and manners of the children. Pupils at St Lawrence wowed with their reading and phonics skills, and the Class 1 children at Tibberton even managed to dig up some worms to share with them!

The children and staff have been flexible and adaptable this week with the staffing changes we have had to make- a big well done and thank you to all of them, and to you for your patience and understanding.

From next week, we will have Mrs Hemmings joining us at St Lawrence as she begins to cover Mrs Barker's maternity leave. Mrs Barker has begun her maternity leave earlier than she wanted to due to medical reasons, but she wishes you all well and will keep in touch. She is hoping to pop in and visit Class 3 very soon.

Please can I remind you that, after collecting your children, it is important they continue to follow the school rules, for example not climbing on top of the picnic benches and not playing on the jungle gym. This is for health and safety reasons as we would not want an accident to happen. I would also respectfully ask that any parent conversations you want to have, especially now the weather is better, take place outside the school gate- this is so that staff can get on with their work preparing lessons and resources for the next day. If parents are on the playground, it means that staff are still needed outside. Thank you.

You will have all seen by now, I hope, communications regarding the Coronation events taking place at both schools on May 5th. We are excited to be sharing this special occasion with you and look forward to welcoming as many of you along as can join us.

Wishing you a happy weekend,  
Mrs Nash

# Chetwynd Deer Park

On Wednesday, Class 3 visited Chetwynd Deer Park in a visit themed on 'Spring Explorers'. The children took part in three activities: pond dipping with nets, and an activity based on the senses where they had to put their hands into a box to guess what was in it (all objects were those which could be found around the park), and a final activity where the children were invited to eat a range of dry critters. A great afternoon was had by all and Mrs Standish and Miss Edwards were very impressed with the great questions and responses from Year 3 and 4 throughout the afternoon.
