

Class 4 Weekly News

This week in Year 5/6, we have had a week of practical activities, from Year 6 Bike-ability and cricket with a cricket coach from the Shropshire Cricket Board, to making gas mask boxes, identity cards, and information tags for evacuee suitcases in our WW2 topic! In Maths, we have consolidated our knowledge of angles through activities where the children had to use their understanding of key concepts to find missing angles

(see photographs below).
