

Class 3 Weekly News

This week Class 3 have continued to look at lost narratives, through the story 'Into the Woods' by Anthony Browne. They have retold the story themselves and have analysed example texts to find ways writers show fear and panic. In maths, Class 3 have been working on the topic of Money and have been adding coins and using decimal notation to write and convert amounts of money.

In our topic lesson, we located ancient Mayan cities and plotted them onto maps.

- 1) The boy sat on his bed anxiously.
- 2) The boy sat securely at the table.
- 3) The boy went outside and his mum gave him a basket.
- 4) He went into the forest.
- 5) The boy with the saw asked for a piece of cake.

Maya Map

This is a map of Central America

- Now draw an outline to show the area of land where the Maya civilisation was.
- Use a map or atlas to find and label the following countries on your map: Belize, Costa Rica, El Salvador, Guatemala, Honduras, Nicaragua and Panama.
- Now use a map or atlas to find and label the following Maya cities: Coba, Copan, Tikal, Tulum, Xunantunich, Chichen Itza, Uxmal, Palenque and Calakmul.

WAGOLL

The feeling of dread washed over me and I began to panic. The more I looked around, the more I realised I had no idea where I was. My heart began to pound and a bead of sweat trickled down my spine... I was lost!

I tried to find a familiar face or a landmark so I could get my bearings, but it was no use. I felt dizzy and disorientated. The flashing lights blinded me and the crowds of people seemed to swallow me whole. I was paralysed. I was paralysed. I had to fight with every fibre of my being to keep my breathing under control - it was as if I had run a marathon, yet I had only moved a few paces.

- feeling
- physical reaction
- actions to show fear
