

# Class 2

Class 2 have had a wonderful week enjoying immersive activities to start our new Read to Write unit looking for a wolf around the school grounds. Our other highlight has been our trip to Powis Castle yesterday. We were most impressed with how interested the children were with finding out about the castle. We would also like to express our thanks to Mr Perry and Mrs Bennett for accompanying us and giving up their time.

Jack "In the long gallery there is a lot of precious things like paintings and a coat of arms of the Herbert family." Oliver: "This is one of the state bedrooms, Queen Victoria stayed here before she was queen and also our new King when he was a Prince."

After exploring the castle we had fun in the huge grounds of the castle.
