

Class 1

This week we have been learning to take away in maths. The children loved the pirate game, working out how many coins had been stolen from their treasure chest. In phonics, we completed set 2 sounds, learning 'ou shout out' and 'oy toy for a boy'. In Art, we explored the art collaging technique looking at the art work of Eric Carle in 'The Very Hungry Caterpillar'.

In forest school, the children thoroughly enjoyed making their own pizzas and cooking these on the fire!

A few snaps from our Cricket Engagement Day! The children were introduced and practised skills such as batting, bowling, throwing and catching!
