

Class 4 Weekly News

This week, Year 5 and 6 completed their cookery DT unit which is linked to our WW2 topic. We learnt about rationing and the 'Dig for Victory' campaign and designed a recipe based on available ingredients from 1939-1945. Class 4 practised their skills of preparing various vegetables and put these into a hotpot/pie. They seasoned their dish with oxo and roasted slice potatoes on the top to give it texture.
