

Weekly News Class 4

This week, Year 6 have sat their SATS and the whole of Year 5, Mrs Standish, Mrs Leon and Mr Matthews are so proud of each and every child. In the afternoons this week in Class 4 we have focused on well-being and the children have enjoyed several activities such as a Forest Schools afternoon, a games afternoon on the field, and a cinema afternoon. Below are some photographs from our lovely Forest Schools session where we ate s'mores, cooked over the fire pit, made dream-catchers and took part in a variety of other Forest School activities.
