

Class 1

We have had a very artistic week in Class 1! The children have been very creative with the resources making works of art! We have also made our own African tribal necklaces. The children have enjoyed writing about and labelling African animals.

Freddie R and Arthur created Handa with the shells.

Grace and Ella created a giraffe eating pineapples.

Charlotte created Handa's basket of fruit using shells and bananas.

Our Tribal Necklaces!

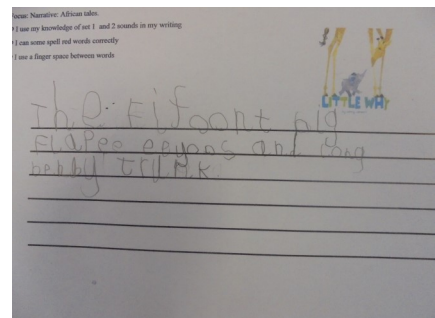

Look at our amazing writing!
