Anti-Bullying Policy

Revised: Autumn Term 2023 Consultation with Staff & Governors and adoption of policy: Autumn Term 2023 Review Date: Autumn Term 2026

1.0 Introduction

Our definition of bullying:

Bullying may be defined as any form of verbal, physical or psychological intimidation, usually carried out over a sustained period and which results in hurting or causing distress to another child or adult. This definition includes homophobic and transgender bullying. This bullying behaviour may take place via social media, text, and email. We recognise this as child-on-child abuse.

We build our pupils' understanding and resilience by reflecting on issues in worship, through all staff listening to pupils, e-safety work, PSHE/PCLIMB, British Values and RE curriculum, explicitly working on aspects of behaviour management and rights and responsibilities. We aim to develop the skills of negotiation and empathy, identifying and managing situations when relationships break down and giving pupils the skills to come forward when they feel intimidated.

As a school, we promote 'Remember 5', encouraging the pupils to remember five people they are comfortable to go to if they need help.

1.1 The governors and staff of Tibberton and St Lawrence CE Primary Federation fully recognise the contribution they make to safeguarding children. We recognise that all staff, including volunteers, have a full and active part to play in protecting our pupils from harm.

1.2 All staff and governors believe that our schools should provide a caring, positive, safe and stimulating environment which promotes the social, physical and moral development of the individual child.

1.3 All governors and staff believe that bullying will not be tolerated in any form and is defined to mean:

"Deliberate hurtful behaviour repeated over a period of time and in circumstances where it is difficult for those being bullied to defend themselves"

1.4 The aims of this policy are:

1.4.1 To support the child's development in ways that will foster security, confidence and independence.

1.4.2 To raise the awareness of both teaching and non-teaching staff of the need to safeguard bullied children, and of their responsibilities in identifying and reporting possible cases of this

form of abuse in line with Local** and National procedures and guidance***.

1.4.3 To provide a systematic means of monitoring children known or thought to be at risk of harm from bullying.

1.4.4 To emphasise the need for good levels of communication between all members of staff.

1.4.5 To develop a structured procedure within the school which will be followed by all members of the school community in cases of suspected bullying abuse.

1.4.6 To develop and promote effective working relationships with other agencies, especially the Police and Social Services.

1.4.7 To ensure that all adults within our school who have access to children have been checked as to their suitability, and make them aware that bullying has no place in or out of school.

2.0 Procedures

2.1 Our Federation procedures for safeguarding children will be in line with Children Services Authority (CSA)* and the Safeguarding Children Board (SCB) ** procedures. We will ensure that:

2.1.1 We have a designated member of staff for Child Protection who undertakes regular training, where bullying is identified as abuse in its own right. Currently trained staff are: Mrs Rebecca Nash, Mrs Andrea Hemmings, Mr Craig Battrick, Mrs Karen Eden and Mrs Katie Osborne.

2.1.2 We have a member of staff who will act in the Designated Person's absence and deal with any bullying issues (Mrs Skilton-Yates).

2.1.3 All members of staff develop their understanding of the signs and indicators of bullying and direct abuse.

2.1.4 All members of staff know how to respond to a pupil who discloses bullying.

2.1.5 All parents/carers are made aware of the responsibilities of staff members with regard to child protection procedures**, or information on how to access them on line.

2.2 Our procedures will be regularly reviewed and up-dated.

2.3 All new members of staff will be given a copy of our anti bullying policy as part of their induction into the school.

3.0 Responsibilities

3.1 The Designated Person is responsible for:

3.1.1 Adhering to the SCB, CSA and school procedures with regard to referring a child if there are concerns about possible bullying abuse.

3.1.2 Keeping written records of bullying and concerns about a child even if there is no need to make an immediate referral for action.

3.1.3 Ensuring that all such records are kept confidentially and securely and are separate from pupil records.

3.1.4 Ensuring that an indication of further record-keeping is marked on the pupil records.

3.1.5 Ensuring that any pupil currently on the child protection register who is absent without explanation for two days is referred to Children's Social Services.

4.0 Supporting Children

4.1 We recognise that a child who has intermittent or persistent abuse by bullying may find it difficult to develop and maintain a sense of self worth. We recognise that a child in these circumstances may feel helpless and humiliated. We recognise that a child may feel self blame.

4.2 We recognise that the school may provide the only stability in the lives of children who have been abused or who are at risk of harm. Contrary to that, we recognise that this stability could be compromised if bullying is not taken seriously. This will be addressed as soon as it is known or signs of it are prevalent.

4.3 We accept that research shows that the behaviour of a child in these circumstances may range from that which is perceived to be normal to aggressive or withdrawn.

4.4 Our school will support all pupils by:

4.4.1 Encouraging self-esteem and self-confidence whilst not condoning aggression or bullying.

4.4.2 Promoting a caring, safe and positive environment within the school and promoting respect between others in and out of school, wherever possible/appropriate delivering anti bullying messages in curriculum-based activity.

4.4.3 Liaising and working together with all other support services and those agencies involved in the safeguarding of children, including, wherever possible, the school in thematic Local and National anti bullying campaigns.

4.4.4 Notifying Children's Social Services as soon as there is a significant concern.

4.4.5 Providing continuing support to a pupil about whom there have been concerns, who leaves the school, by ensuring that appropriate information is forwarded under confidential cover to the pupil's new school.

5.0 Confidentiality

5.1 We recognise that all matters relating to bullying and general Child Protection are confidential.

5.2 The Head teacher or Designated Person will disclose any bullying information about a pupil to other members of staff on a need-to-know basis only.

5.3 All staff must be aware that they have a professional responsibility to share bullying information with other agencies to safeguard children***.

5.4 All staff must be aware that they cannot promise a child to keep secrets, but a child's concerns must be sensitively handled in the case of those perpetrators of the bullying, where cessation is the key outcome and re assurance for the victim paramount.

6.0 Supporting Staff

6.1 We recognise that staff working in the school who have become involved with a child who has suffered harm from bullying or appears to be likely to suffer harm from bullying may find the situation stressful and upsetting.

6.2 We will support such staff by providing an opportunity to talk through their anxieties with the Designated Person and to seek further support as appropriate.

7.0 Allegations Against Staff

7.1 We understand that a pupil may make an allegation of bullying against a member of staff. This will be treated like any other form of abuse.

7.2 If such an allegation is made, the member of staff receiving the allegation will immediately inform the Headteacher.

7.3 The Head teacher on all such occasions will discuss the content of the allegation with the Principal Officer Child Protection for Schools & Early Years, or in their absence the Safeguarding Advisory Service.

7.4 If the allegation made to a member of staff concerns the Head teacher, the Designated Person will immediately inform the Chair of Governors who will consult with the Principal Officer for Schools & Early Years.

7.5 The school has adopted policies for managing allegations against staff, a copy of which will be readily available in the school.

7.5.1 If such an allegation is made, the member of staff subject to the allegation will be assigned a designated HR contact to support them through the process.

7.5.2 Soon after the allegation is made, a decision will be taken as to whether a Joint Strategy Meeting needs to be convened to discuss the matter further.

7.5.3 If it is decided at that meeting that an investigation should commence, this may be initially led by the Police and Social Services, prior to it being referred to the Local Authority to investigate under agreed disciplinary procedures.

8.0 Whistleblowing

8.1 We recognise that children cannot be expected to raise concerns in an environment where staff fails to do so.

8.2 All staff should be aware of their duty to raise concerns, where they exist, about the attitude or actions of colleagues.

9.0 Cyberbullying

9.1 We recognise that bullying increasingly takes place in "cyber" environments, such as on the Internet and through the use of mobile phones. In whatever form, we will take action to prevent phones and computers that have been used for this purpose being allowed on the school premises and parents will be informed of that ruling. As such these incidents will be treated as a Child Protection issue.

9.2 Upon any incident where "cyber" bullying has taken place in or out of school and made known to us, we will take matters seriously and action will be taken to reduce any further incidents. This will be done with the Designated Person for Child Protection and the Head teacher, and if appropriate, outside agencies.

9.3 We recognise and will act in accordance with guidelines set down by the DfES on cyberbullying as specified on:

www.dfes.gov.uk/bullying

10.0 Physical Intervention

10.1 We have adopted a policy on Physical Intervention and understand that staff must only use physical intervention as a last resort, and that it must always be the minimal force necessary to prevent injury to another person.

10.2 We recognise that physical intervention of a nature which causes injury or distress to a child may be considered under child protection or disciplinary procedures.

10.3 This policy has been adopted in line with the local authority Policy on Physical Intervention.

11.0 Racist Incidents

11.1 Our policy on bullying by racist abuse is set out in a separate document and acknowledges that repeated racist incidents of bullying or a single serious incident may lead to consideration under child protection procedures.

12.0 Prevention

12.1 We recognise that school plays a significant part in the prevention of harm to our pupils by providing pupils with good lines of communication with trusted adults, supportive friends and an ethos of protection.

12.2 The school community will therefore:

12.2.1 Establish and maintain an ethos where children feel secure and are encouraged to talk about bullying and are always listened to, whether they are the victim or the perpetrator.

12.2.2 Ensure that all children know there is an adult in or out of the school setting whom they can approach if they are worried or in difficulty in regard to bullying as a specific issue. Access to Helpline numbers will be displayed and encouraged.

12.2.3 Include in the curriculum opportunities for PSHCE which equip children with the skills they need to stay safe from harm and to know to whom they should turn for help.

13.0 Health & Safety

13.1 Policies on Health & Safety are set out in a separate document. It reflects the consideration we give to the protection of our children both within the school environment and when away from the school when undertaking school trips and visits.
