

Year 1/2

Spring Term 1

Habitats

English:

In English we will be reading *The Bog Baby* and focusing on developing our writing skills to support us to write narratives and instructions.

Science:

In Science this half term, we will be looking at and investigating local habitats including microhabitats.

PSHE:

In PSHE we will be looking at our dreams and goals, celebrating our strengths and supporting each other in our learning.

Music

In Music we will be learning a song called "In the Groove". This song includes 6 different genres to explore.

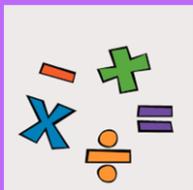

Spanish:

We will be linking our Spanish into our science topic and learning the names of minibeasts.

Maths:

In Maths Year 1 will be learning about place value and simple multiplication and division. Year 2 will be developing their skills to be able to solve multiplication and division problems.

Geography:

In Geography this half term we will be learning about the different hot and cold places on our planet and how to identify them on a map. We will also be learning about the different animals that live in these places and how they survive.

RE:

In RE we will be looking at the religion Judaism and learning what Jews believe and comparing it to Christianity.

DT

In DT we will be designing, making and evaluating our own moving story books.

PE:

In PE this half term we will be learning some dance skills.
