

Year 1/2

Spring Term 2

How did we learn the fly?

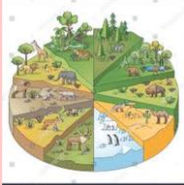

English:

In English we will be reading Rosie Revere Engineer. We will be developing skills to write an explanation and also an invention narrative.

Science:

In Science this half term, we will be looking at and investigating habitats of larger animals and recapping our prior knowledge from our recent Geography topic.

PSHE:

In PSHE our topic will be 'Healthy Me'. We will learn about a balanced diet, how to look after ourselves and personal hygiene, medicine safety and also look at road safety.

Music

In Music we will be learning a song called Round and Round. We will explore the different musical elements as well as learn how to play the glockenspiels.

Spanish:

In Spanish we will be learning how to count to 10 and the different colours. We will also continue developing our greetings.

Maths:

In Maths Year 1 will be learning about place value to 100 and also length and height. Year 2 will be developing their skills to be able to solve multiplication and division problems as well as looking at types of measure.

History:

In History we will be exploring and learning all about how aeroplanes were invented and who invented them. We will learn about when the first flight happened and the events that followed, including the importance of significant figures.

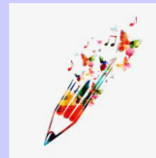

RE:

In RE we will be looking at Salvation and the importance of Easter in the Christian faith.

Art and Design

We will be linking in our History topic to Art and Design, and will be practicing and developing our sketching skills.

PE:

In PE this half term we will be learning to play football and developing ball skills and control.
