**'Being the best we can be, because with God all things are possible'**

Dear Parents

Another busy week across the federation, with some glimmers of summer to enjoy as well.

The children at both schools have continued to work hard and do their best in all aspects of the curriculum. I was happy to be able to share some amazing writing with pupils at both Tibberton and St Lawrence.

It was a pleasure to watch the Tibberton swim team at the Wellington gala this week- the children showed great nerve and determination, but the best thing was their support for one another; they clapped and cheered for each race and were a credit to the school, and their parents. Congratulations on excellent teamwork, and being announced in 2<sup>nd</sup> place!

Another congratulations has to go out to Sophie at St Lawrence and Bella at Tibberton who were the school winners in the Shropshire Book Fest competition- well done, girls.

We are looking forward to the nice weather continuing, and to sharing more events and results with you next week.

Wishing you a peaceful weekend, and remember school is closed on Monday for the early May bank holiday,

Mrs Nash

## CLASS 1

Another fun and exciting week in Class 1. We have continued our learning about Farms. We have been learning about the kind of jobs we would be expected to do and how farm machinery has changed over time. We thought about the meaning behind past, present and future. In Maths, we have been focusing on numbers beyond 20, the number system and number patterns.

## CLASS 2

Class 2 have had a great week this week. We have been learning about fractions in our maths, using our senses to describe the rainforest in English. Our beans have started to grow and we are keeping a watchful eye on them.

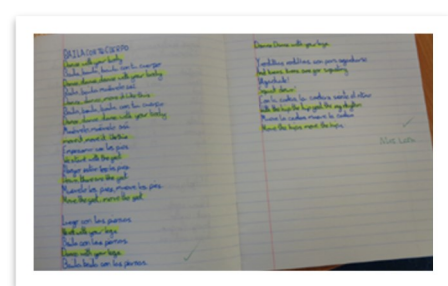

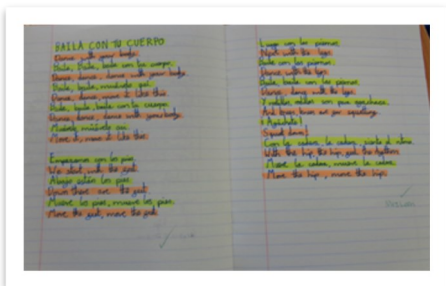

## CLASS 3

This week in Class 3, we have been talking about working together to solve problems in PSHE and, in computing, we have been learning how to program using Scratch.

## CLASS 4

This week, Class 4 have impressed me with their work in Spanish. Having learnt vocabulary related to body parts, they have been using this knowledge to translate a song. Their translations were very accurate, showing how brilliant their understanding is now. Here there are some examples of their work!

## *Woodland* FAMILY WORSHIP

We have launched Woodland Worship sessions once a month at school, from 3:30 - 4pm, starting in February. The aim of these gatherings is to be together, to appreciate the world we have been gifted, to link to God through nature, and to reflect on our spirituality.

Worship sessions will link to the seasons, and will take place outdoors in our wooded area.

The dates we have planned are:

**May 9th and June 24th.**

You are all welcome to gather with us, and we look forward to seeing you there.
