**'Being the best we can be, because with God all things are possible'**

Dear Parents,

What a strange weather week! We have seen rain, sunshine, gales- although at least we have escaped the giant hail stones they had in Germany!

We are now only two weeks away from the end of this academic year, and your children are incredibly busy having wonderful learning experiences, such as visits to Crucial Crew and to Park Hall Farm, as well as rehearsing for performances and preparing their best English pieces for their next class. I hope the children all enjoyed their time with their new classmates and/ or teachers this week- we wanted to make more of that opportunity this year, hence having a day and a half to complete some work and get to know their new routines and expectations. We also had our Year 6 pupils spend time at their new secondary schools- thank you to the children who were great role models and ambassadors for our school.

Just as the children are busy, therefore so are the staff, so please be patient if you are waiting for someone to get back to you- everyone is busy trying their best to make the next few weeks memorable, productive and fun for your children. We sometimes get things wrong- we are only human and can learn from our mistakes, just as we teach the children. We understand that mistakes can lead to frustration, especially when you feel communication has failed, but please be kind when this happens, as we would want others to be in line with our Christian values.

As I write, the summer fairs haven't yet taken place, but I would like to thank you in advance for supporting the schools and the PTA groups by attending the fair for your children's school. Next year, we will aim to hold them on separate days so that you could support both if you would like to. We will share more about the fairs next week, but I am sure, knowing the wonderful hard work of parents at both schools, that they will be a huge success.

School reports will come home next Friday, and we are excited to share all of the progress your children have made this year. If you have any questions following receipt of the reports, please get in touch to make an appointment with your child's class teacher.

**Happy Weekend!**

*it's the simple things..  
that make life so beautiful..*

Wishing you a happy weekend, and I hope to see many of you at school events in the next two weeks.

Mrs Nash

# Celebrating success this week

## AWARDS THIS WEEK GO TO....

### THE CORE VALUES AWARD

Our St. Lawrence Values Award is an award nominated by the pupils and teachers to reflect the school's values.

This week **Mrs Skilton-Yates** has nominated **Elsie-Mae** for being compassionate with her peers.

### TEACHER AWARDS

#### Class One

**Miley** for being a super friend and supporting her new classmates during their transition into Reception

#### Class Two

**Sarvan** for showing courage and joining in with football games on the playground.

**Esmae** for helping her peers when they struggle.

#### Class Three

**Lottie** for always trying her best in everything she does.

**Lily** for working so quietly and listening in class.

#### Class Four

**Alexis** for brilliant vocabulary choices to create a spooky effect.

**Ryley** for being an excellent role model for our younger pupils during the transition days.

### ATTENDANCE AWARD

Class 1 have won this week's Attendance Trophy with an attendance figure of 100%

Very well done!

# This week in school

How do we change as we grow up?

We ordered the stages of life from babies to elderly!

## CLASS 1

Another fun filled week in Reception this week. We have had another opportunity to meet our lovely new classmates and help them learn the routine of their new classroom. We have continued to explore Africa and we have focused on the story Deep in the Sahara. We looked at how some African communities live and talked about the types of houses and home we live in. We have also explored our life stages, looking at how we grow.

## CLASS 2

What a busy week! Year 2 have enjoyed their transition days into Mrs Barker's class and took part in lovely activities, Year 1 enjoyed their transition activities making things ready for the new school year. We have also carried on with one of our favourite books from BookFest and Elsie read it to the class as part of our English lesson. Well done, Elsie. In PSHE we looked at how we were as babies and what we are like now, with Year 2 looking into the future and setting goals. Year 1 loved looking at each other's baby photos and guessing who was who.

## CLASS 3

This week, class 3 have started their independent writing: an invention narrative based on our class text, 'Manfish'. The children have had fantastic ideas throughout this unit and are excited about finally bringing their own ideas to life! We have been extremely busy practising for our 'time to shine' concert today! We look forward to seeing all of the children's hard work in action! Good luck Class 3.

## CLASS 4

This week the majority of our year 6 pupils have had a chance to visit their secondary schools and spend some time with their new teachers for September. It sounds like they had a brilliant time and are now looking forward to starting in September. Year 5 spent two days with in their new class for the next academic year and I was very impressed with the quality of the writing they produced around ghost stories. We have also spent some time considering the impact that George Cadbury had on workers rights this week and investigated whether or not his legacy is significant for Britain.

# Other news at St Lawrence .....

## ANTI-SOCIAL BEHAVIOUR

This week, Mrs Nash and Mr Battrick met with PC Columbello from West Midlands Police to talk about how he can work with both schools to support us with anti-social behaviour, understanding hate crimes and how social media use can be harmful, as well as supporting the children to feel confident about getting help when they need it. Watch out for PC Columbello visiting some of our events and special days in school over the coming terms. We look forward to working together and welcoming him to school more often next year.

### The final SEND coffee afternoon

on:

Monday 8th July

at St Lawrence 2.30pm -3.10pm

## Nurture Donations Needed

In September the Bee Hive will be open to children!

We are looking for donations of the following;

- Squash, juice cartons, biscuits (For child led snack)
- Forest school loose parts; Guttering, rocks, toad stools, wood, pots and pans

If you are able to donate please bring items into the office!

The staff and children of St. Lawrence are extremely grateful!

Do you have these treasures in your home?

If YES and you want to donate them, please bring them into school for our new 'Bee Hive'!

# Out of School Achievements

**James's** team, Sparta U11s, won the Sparta tournament on Sunday 30th June 2024.

James did a great job in goal, despite playing out of his normal position, and only conceded 2 goals for the whole tournament.

Well done James!

**Aman and Sarvan** achieved their first belt in Kick Boxing this week.

Well done boys!

**Harlow** received a new skill award in gymnastics this week.

Well done Harlow!
